October 1965

MEMORANDUM FOR THE RECORD

Morning Meeting of 1 October 1965

DDCI was in the chair.

There was a discussion of the Indonesian situation. R. J. Smith also briefed on the India-Pakistan and Dominican Republic situations. He noted this morning's French nuclear test in the Sahara.

Kent noted completion of the memo requested by DCI on pros and cons of the resumption of U.S. aid to India and Pakistan. Consensus was that the memo would best not be disseminated outside the Agency. It was noted that the memo appears to be under-classified. 25X1

DDS&T reported that [REDACTED] 25X1
DDS&T said the take from the first bucket of the most recent CORONA is of good quality. It was noted that the photography shows a very large test circle at Semipalatinsk.

DDS&T reported that weather is clearing in the NEFA and would permit U-2 flights this weekend. DDCI reported that USIB is informed of this and he said he would discuss this with McGeorge Bundy this morning.

[REDACTED] 25X1
At DDCI inquiry, DDS&T said an expected Soviet missile spectacular did not develop last night. There was one SS-9 firing.

DDP reported that the military in Saigon now takes the position that pacification is best handled by PAT teams, and that these teams should be under civilian not military control. If this responsibility falls to us, this will increase demands for more personnel. We are currently [REDACTED] 25X1
Another call for Agency volunteers will be issued. At Executive Director's suggestion, DDP said he would ask Chief, FE to circulate advice for other

components as to the type and background of personnel required for duty in Vietnam.

Executive Director reminded that the National War College Class will visit the Agency on 4 October.

Executive Director reported that on 4 October [] will be assigned to O/DDCI, and Knoche will join Executive Director's staff.

25X1

DDCI noted that the DCI was speaking before the National War College this morning and would be back in the office thereafter.
